COMMUNITY NOTICES

Congregational Forum

Next Sunday, 9 March, there will be the first Congregational Forum—an opportunity to hear more about the Cathedral's mission and ministry as well as the projects and plans for the future. Alongside presentations from the Dean and the COO there will be an opportunity for questions and discussions. The Forum will take place in the Undercroft and immediately after the Sung Eucharist.

Ordinand on Placement – Tristan Mitchell

We will have an ordinand on placement at the Cathedral during Lent.

Tristan is an ordinand at St Andrew's in Malvern and is in his second year of a three-year part-time diploma in Theology, Ministry and Mission at Trinity College, Bristol. He lives in Malvern with his wife, Jan, his three daughters Isla, Flo, and Bella, and Bertie the cockapoo. Alongside his studies he works three days a week as a Director at DeltaXignia, a software company based in Malvern but selling to customers worldwide.

In his (diminishing) spare time, Tristan is a long-distance runner (although that is getting harder to fit in) and loves film. He often sneaks a movie reference or two into his sermons.

Tristan's church background is very mixed, including an upbringing in a Methodist chapel, teenage years in an independent home church, a brief stint as an elder in an independent Evangelical church and time spent in Anglican churches in Aberystwyth, Salisbury and most recently, Malvern.

Snowdrops

If you are thinking of thinning out your snowdrops this spring and can spare a few to plant in the cloister garth under the tree, would you contact Joan Schmeising joan.schmeising@gmail.com. We would be very grateful.

The Sophia Course is a one-year journey of spiritual formation with a focus on creation-attuned spirituality. It is for anyone seeking to explore and grow in Christian discipleship in a world facing unprecedented environmental challenges. The course will be delivered over six day-long sessions at Worcester Cathedral, which is an award-winning centre for Green training and education, covering spirituality, lifestyle, and campaigning ([2024 Church Times Green Church Awards](#)). The training days aim to engage body, soul, and spirit, blending more theoretical and more practical teaching with hands-on activities, social time, and contemplative prayer. (The six Saturdays are: 15 March, 17 May, 19 July, 20 September, 15 November, 17 January.)

In addition to the formal training days, those on the journey will live by a 'rule of life' aimed at instilling patterns of daily prayer and learning to walk gently on the earth. For more information, please contact the Revd Dr Robin Parry at RobinParry@worcestercathedral.org.uk.

Worcester Saints

Next Saturday (8 March) we commemorate Geoffrey Studdert Kennedy. Born in 1883, Studdert Kennedy was a young vicar in Worcester who became an army chaplain during the First World War. His warm personality soon earned the respect of soldiers, who nicknamed him 'Woodbine Willie' after the brand of cigarettes he shared with them. After the First World War, he became a writer and regular preacher, drawing large crowds, who were attracted by his combination of traditional sacramental theology with more unconventional theological views. He worked tirelessly for the Christian Industrial Fellowship,

but his frail health gave way and he died (still a young man) on this day in 1929. There is a memorial to him in the cathedral's St George's Chapel.
