50% Discount on New book

To celebrate the publication *Christian Eco-Spirituality: An Outline* by Worcester Cathedral's Minor Canon for Eco-Spirituality, the Revd Dr Robin Parry, Wipf and Stock Publishers are offering a limited-time 50% discount on all purchases from their website. The book normally retails at £22, but with the code it can be purchased for £11 during the month of November.

Christian Eco-Spirituality develops the idea that living more gently on the earth begins with learning to reconnect with creation, aware of ourselves as creatures, living alongside other creatures, orientated towards our Divine Source. It offers a detailed sketch of how Christian beliefs, practices, traditions, and ethics can work together to help cultivate creation-attentive and creation-loving individuals and communities. Christian Eco-Spirituality seeks to resource a slow spirituality, integrating body, soul, and spirit and helping modern people connect more deeply with the natural world around them, with themselves, and with their Creator. To receive the discount,

1. go to www.wipfandstock.com and search for the book under its title.
2. Select Free Media Mail at checkout.
