About Worcester Cathedral

Worcester Cathedral is a magnificent sight as it rises majestically above the River Severn. Worcester has been the seat of a bishopric since the Seventh Century, and the Cathedral was served by monks until the Reformation. St Oswald and St Wulfstan were among the bishops. Since the eighteenth century, the Cathedral has been famous for its part in the annual Three Choirs Festival, the oldest choral festival in existence. Today the Cathedral is the centre of a vibrant community of clergy and laypeople, offering the praises of God each day, serving the city and diocese of Worcester, and attracting visitors from all over the world.

Cathedrals are unique and wonderful spaces, providing welcome and inspiration to pilgrims, visitors and future generations. They are integral to their local communities (never more so than during the coronavirus pandemic) but also recognised nationally and globally as key heritage sites.

Our Cathedral community is diverse with over 70 staff and 200 volunteers. We are rightly proud of the tremendous heritage and number of partners we work with across the Cathedral and City to provide a warm welcome to our visitors, to promote learning about the history of the Cathedral, attend our many events and activities and to participate in the worship and music that is at the heart of our Cathedral.

Management and Governance

The governance of the Cathedral is the responsibility of the Chapter, which comprises residentiary canons and lay canons with professional expertise and is chaired by the Dean. The Chapter is responsible for strategy, oversight and financial sustainability and meets monthly. Under the current Constitution and Statutes, there are four main committees that have delegated tasks from Chapter, including the Safeguarding Committee, the Finance Committee, the Congregational Committee, and the Nominations Committee. In addition, there are other standing groups, such as the Fabric Advisory Committee (required under the Care of Cathedrals Measure).

The Senior Executive Group (SET) is responsible for the day-to-day management of the Cathedral, operating under the oversight of the Chapter to further the objects of the Chapter and to implement its strategic and operational aims, vision and priorities. Together with the COO through this meeting the Dean and Residentiary canons exercise their executive role in the leadership of the Cathedral through their supervision and encouragement of senior members of staff. In addition, a Senior Management Group (SMG) comprises of the wider team of senior lay staff and clergy in their executive functions. This group is concerned with management, delivery, and collaboration and provides a forum for sharing current work and looking ahead to forthcoming activities and projects.

The Cathedral is blessed with a committed and skilled workforce, who are deployed to such diverse functions as welcome, events management, education, worship, finance, fundraising, stonemasonry, estates management and maintenance, music, communications, library collections and archaeology. In addition, the Cathedral's central function also supports the retail and catering operations of Worcester Cathedral Enterprises Ltd and the management of St Oswald's Hospital almshouses.
