# About Worcester Cathedral

Worcester Cathedral is a magnificent sight as it rises majestically above the River Severn. Worcester has been the seat of a bishopric since the seventh century, and the Cathedral was served by monks until the Reformation. St Oswald and St Wulfstan were among the bishops.

Since the eighteenth century, the Cathedral has been famous for its part in the annual Three Choirs Festival (the 2026 festival will take place in Gloucester Cathedral), the oldest choral festival in existence. Today, the Cathedral is the centre of a vibrant community of clergy and laypeople; offering the praises of God each day, serving the city and diocese of Worcester, and attracting visitors from all over the world.

The Cathedral community is diverse with over 100 staff and 300 volunteers. We are rightly proud of the tremendous heritage and number of partners we work with across the Cathedral to provide a warm welcome to our visitors to learn more about the history of the building, attend our many events and activities, and to experience the spiritual opportunities of the Cathedral.

The governance of the Cathedral is the responsibility of the Chapter, which comprises residentiary canons and lay canons with professional expertise. The Chapter is responsible for the strategy, oversight and delivery of the operational plan.

There are a team of Departmental Managers led by the Chief Operating Officer, who meet regularly and work collaboratively to achieve the annual objectives and plan. The Cathedral has a diverse range of income, all of which is either achieved through donations, fundraising, earned income, investment income or other support.

# Worcester Cathedral's Choirs

**Worcester Cathedral Choir** consists of up to 20 boy and girl choristers, 9 lay clerks and 3 choral scholars. In September 2021 the cathedral implemented a series of changes to the configuration of the music department, one aim of which was to achieve parity between the boy and girl choristers of the cathedral choir. In this new model, both boy and girl choristers receive an equal scholarship to the King's School and sing an equal number of services each week.

The lay clerks sing for six choral services each week. Six principal lay clerks sing for all of these services, with three assistant lay clerks joining them for services on Saturday and Sunday, and for major festivals. The back row is completed by three Choral Scholars.

The cathedral choir takes a central role in the **Three Choirs Festival**, held in the final week of July every year and hosted in turn by the cathedrals of Worcester, Hereford, and Gloucester.

**Worcester Cathedral Voluntary Choir** is directed by the Assistant Director of Music and also entered a new chapter of life in September 2021. The Voluntary Choir is now an upper voice ensemble for boys and girls, recruited from a variety of local schools. The choir sings at the weekly 6.30pm Sunday service.

**Worcester Cathedral Youth Choir** was formed in September 2021. Directed by the Assistant Director of Music, the choir aims to provide an opportunity for former choristers and other singers from the local area from year 9 and above to contribute to the cathedral's music. The choir rehearse once per week and sing at a number of services and concerts throughout the year.

**Worcester Cathedral Chamber Choir** is an adult choir of some 30 singers, directed by its founder and former Senior Lay Clerk, Stephen Shellard. The choir sings regularly at cathedral services, as well as at services and concerts in the local area.

**Worcester Festival Choral Society** is an autonomous group of approximately 120 singers linked to the cathedral, conducted by the Director of Music. They rehearse on Mondays every week in the cathedral, and present three concerts in the first two terms of each academic year.
